

Coin Toss

HEADS OR TAILS?

1. **Get a Coin Toss recording sheet.**
2. **Count out coins to match your focus / just right number.**
3. **Write your focus number in the large circle (the whole).**
4. **Shake and toss your coins in the box.**
5. **How many come up heads? Write the number in the "H" section (part 1).**
6. **How many come up tails? Write the number in the "T" section (part 2).**
7. **Say the combination: "I tossed ____ coins. ____ were Heads, and ____ were Tails."**
8. **Repeat steps 3-7.**
9. **Compare your results with other students.**
