

ON and OFF

1. **Choose # of stones to match your focus / just right number.**
2. **Choose a picture and lay it in a box or cookie pan.**
3. **Toss the stones gently (in the box).**
4. **Count how many stones stayed on the picture, and count how many stones are off the picture.**
5. **Write the combinations on the recording sheet.**
6. **Choose another picture and repeat.**

Variations:

Design your own picture to use for this activity, or enlarge your favorite clip art.

Record the combinations made on a bar graph chart.

Which combinations were thrown most often? Least often?

What combinations did not appear?

ON and OFF

My focus / just right number is: _____

Throw #	On	Off	Total
#1			
#2			
#3			
#4			
#5			
#6			
#7			
#8			
#9			
#10			

Combination I got the most: _____

Combination I got the least: _____

Combination(s) I didn't get: _____
