Directions for 2 players:

1. Shuffle number cards and place face down in a pile on the table.
2. Each player has their own recording paper.
3. **First player**: Turn over one card at a time and place in the above spots from left to right. This is the number you will be rounding. Write the # on your paper.
4. Spin the spinner by placing the paper clip in the center held in place by a pencil point. Circle the term in column 2.
5. Draw your number line in column 3. Show the following:
   - The 3 benchmark numbers
   - Where your # is on the number line
   - Circle the benchmark # your number is rounded to
6. Write your rounded number in the last columns (one digit per column). Remove number cards.
7. **Second player** takes their turn.
8. Winner is player with the highest total after 5 rounds.
