

Tic-Tac-Time

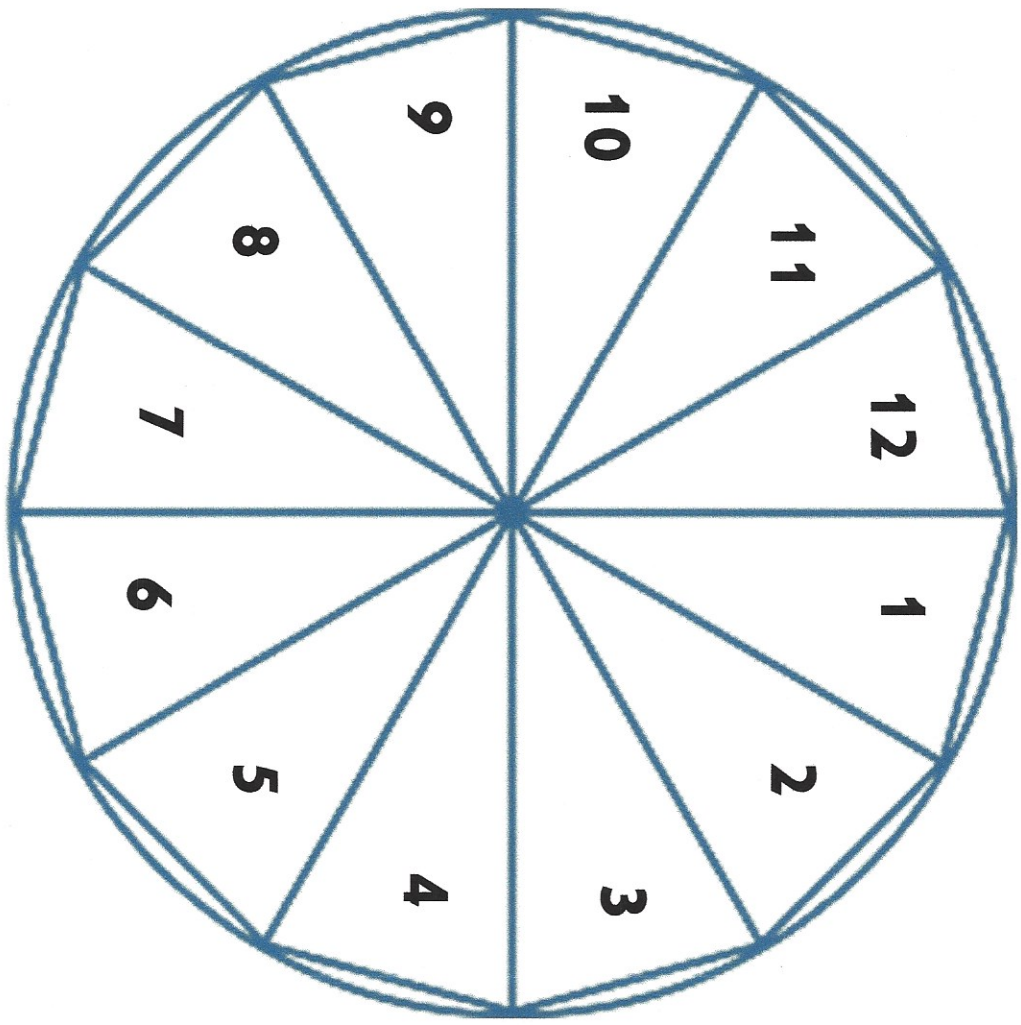

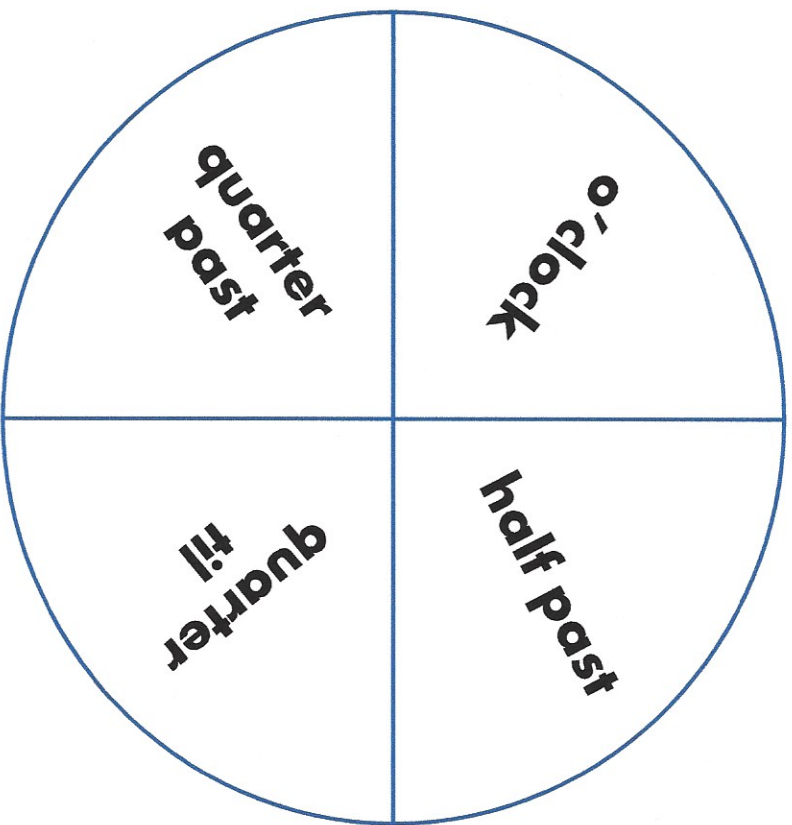

Directions:

1. Each player should choose a different color marker or crayon to draw the hands on the clocks they choose.
2. Spin both spinners and draw the hands on a clock to match the time.
3. Write the digital time in the box.
4. Three in a row wins.

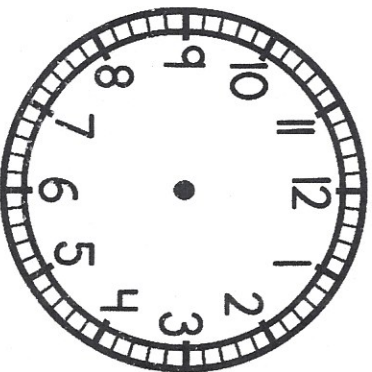

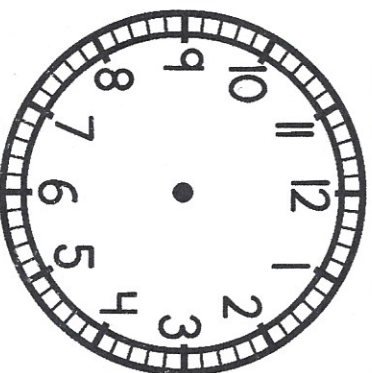

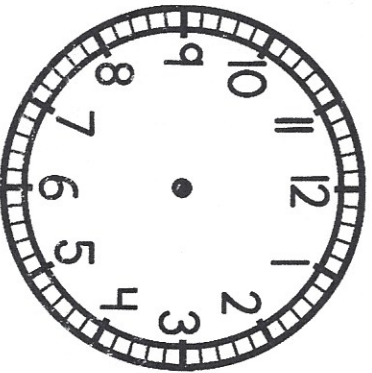

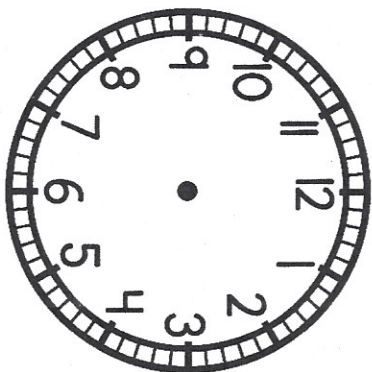

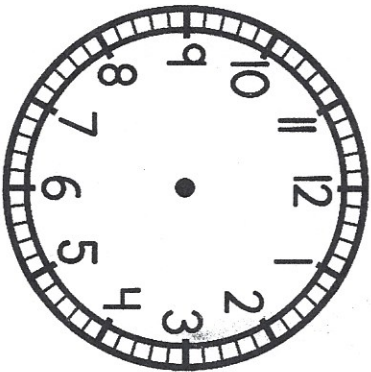

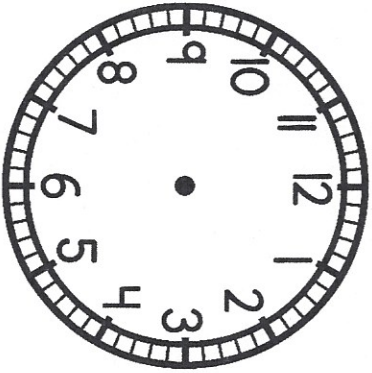

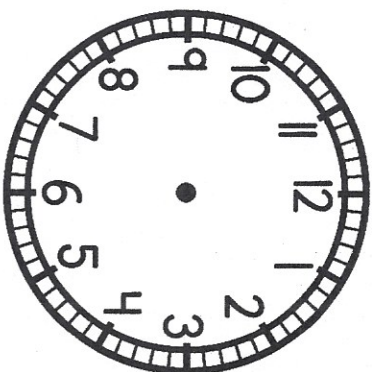

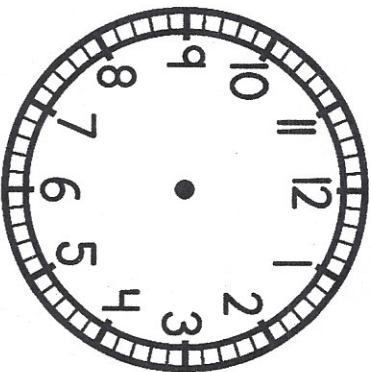

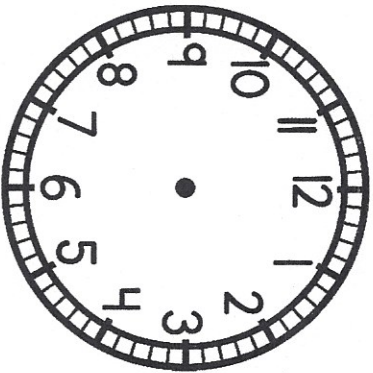

Note: If the pages are laminated, then the player can write in an X or an O to capture their square.
